

ISM Scholar's Annual Report

Name:

Affiliation:

Academic Program: For example, MA, MSc, or PhD.

Supervisor:

Academic Year: For example, 2025-26.

Yearly GPA:

Cumulative GPA:

Please address the following items taking as much space as needed.

(1) Please list the ISM courses you took during this past academic year.

If none, say N/A.

(2) Please describe the ISM related activities you attended during this past academic year.

These may include talks at the Colloque des sciences mathématiques du Québec, Colloque Panquébécois des étudiants de l'ISM, Séminaire des mathématiques supérieures, or other conferences and summer schools. Be as specific as you can.

(3) Please describe any other non ISM-related activities, including seminar talks, you attended during this past academic year.

(4) Did you receive an ISM travel scholarship this year? If so, please list the event attended and its period.

(5) Are there any outcomes of your research work such as conference presentations, posters, preprints or articles that you have obtained this past year? Please describe. You may also list any awards received.

(6) Do you foresee an output of your research such as a poster or conference presentation in the near future? Please elaborate and let us know if you would be interested to have ISM tell you about or facilitate such opportunities to present your work.
